We can custom configure a Listen Technologies Tour System for your needs — call us for a quote.

Charge all headsets at once via the rechargeable case.

## Personal call logger.

### Keep permanent records of important calls!

Capture every word on your computer! Just plug the personal call logger in between your phone and sound card. Set it to record every call — or activate it manually on specific calls. Then, use the included software to sort, play back, and even e-mail your audio files. Installs in minutes. Compatible with analog and digital lines.

#3755 Personal call logger \$69.99

BEST SELLER!

## Industrial call loggers.

### A. Instantly record from any T1 line!

Quick installation! No PBX programming required. Search, play, e-mail, and copy from any PC. Record up to 24 channels of audio in clear digital quality.

#13246 24-channel T1 audio logger \$1,299

### B. Record calls on up to 4 lines automatically.

Item #3757 connects to your network via an Ethernet port. Stores more than 2,600 hours of conversations. Item #7756 is a standalone unit that records calls onto CDs using its own internal CD burner.

#3757 4-channel network logger (shown) \$2,999  
#7756 Standalone CD call logger 1,499

### C. Record calls on up to 16 extensions.

Record from any radio, phone, or microphone. Simple installation. Scan thousands of recordings instantly! Search by Caller ID, number dialed, time and date, notes, etc.

#13296 USB 16-channel USB call logger (shown) \$999  
#7653 USB 8-channel call logger 499.99

### High-volume call recording made easy!

## Record up to 3 hours on one microcassette!

### Dual tape speeds let you double recording time!

Set your recorder to "extended play" and record up to 2 hours on a 60-minute microcassette; 3 hours on a 90-minute microcassette! Voice-activated recording saves tape by eliminating conversation pauses.

#2813	Olympus® microcassette recorder J500, record/playback interface, plus ten 60-minute tapes	\$129.99
#2950	AC adapter	29.99
#1061	60-minute microcassettes (10 pack)	19.99
#5602	90-minute microcassettes (10 pack)	34.99
