

Golf Course Communication

*Up to 3,000 acres
In open areas!*

● **Increase Your Bottom Line**

- **Increasing productivity** with the mobility of EnGenius phones. Course officials can manage staff for on-site course play, tournaments and events while taking outside calls for new tee times, changes, new events or other business matters

● **Safety and Communication**

- **Course Marshall** communicates with whole staff and clubhouse while patrolling out on the back nine via two-way intercom or broadcast. Most importantly, the ability to make outside 911 call from handset saving valuable time in any emergency situation.

3,000 acres of coverage easily covers a two course golf facility
